

# WE ARE YOUR LIBRARY!

Hedberg Public Library is a service of the City of Janesville and provides access to information, programs and technology to library lovers of all ages. From our Growing a Reader storytimes and 1000 Books Before Kindergarten reading initiative to our Hedberg@Home delivery service and Senior Moments programming - we are here to serve our community at every stage of their lives.

Thousands of people depend on us - whether for Internet use, free resources or a safe place to be. Your support will help ensure that we can continue meeting their needs so they can discover, share, create and connect at their library for years to come.

## ABOUT OUR ORGANIZATION

### The Hedberg Public Library Foundation

The Hedberg Public Library Foundation was created in 1980 as a means to accept and administer donations made to the library. These donated funds enable us to enhance services beyond our tax-supported operating budget.

## MAKE A DIFFERENCE.

Become A Night at the Library sponsor. Support the Hedberg Public Library Foundation in its mission to ensure library programs and services are available to all ages in our community.

## IT'S A GOOD INVESTMENT.

Not only will your sponsorship benefit our community (which feels great), it's a highly visible investment.

### Did you know: each day the library greets over 800 visitors?

As a sponsor, your company will be featured prominently in our *A Night at the Library* print and social media campaign, including:

- posters in the library and around town
- an email blast to all adult library cardholders
- social media posts and images seen by more than 7000 fans

Plus, we'll link to your website from our webpage and provide you two free tickets if you donate \$250 or more.

*I've taken you by the hand.  
For you must come to my dance.*

Danse Macabre fans from the world - and underworld - over have gathered for the World Finals of the Danse Macabre Competition - where the winner takes possession of The Centennium Cup.

The Centennium Cup is a coveted prize: those in possession of The Cup are under its supernatural protection - no curses, no hunters, no visits from the Grim Reaper - for one hundred years. In addition, when the holder of The Cup drinks from it, they are revitalized and do not age.

It is a prize worth dancing - and killing - for.

Competitors have passed through many stages to get to this point, and there are *clear* favorites among the competitors. Most odds have *vampire* winning the competition, which has caused a lot of grumbling among the other competitors. Vampires already don't age (much), and it's unlikely (not unheard of) for a vampire hunter to actually kill a vampire.

Guests are invited to dress in ghoulish formalwear to enjoy an elegant evening of delicious food and monstrous merriment while they dance for their lives amongst the creatures of the night.

**Tickets are \$40 and will be available on September 1.**
