ON THE COVER

Eric Robinson joined the library staff as the new Library Director on May 13.

A MESSAGE FROM THE INTERIM DIRECTOR

It has been my honor to serve as Interim Director for the almost 10 months while we searched, and finally found, a new leader for our library. It has truly been a team effort - from our shelvers, to the librarians, to the managers - to maintain the excellent services our community deserves.

I appreciate the assistance received from City staff when needed and the wonderful support from our Board of Trustees during this time of transition. It has been a learning experience for all of us.

We now turn the page to welcome the new Library Director. I am excited to see where the story takes us!

Charles Teval
Assistant Library Director

Q&A WITH NEW DIRECTOR, ERIC ROBINSON

Q: As this is a library, we'll start with a literary-focused question: Name a book you've read more than once.

A: *Zen and the Art of Motorcycle Maintenance*
by Robert M. Pirsig

Q: If you started a band, what kind of music would you play and what would be the name of the band?

A: The band would play Hair Metal; mostly mid-'80s glam rock. I think we would be Fever Dream.

Q: What was the last live performance you attended (theater, music, etc.)?

A: *Hamilton* (theater)

Q: What's the worst advice you've ever received?

A: It was more of a dare. I was convinced that I could run an ultramarathon in three month's time because I was told 'you used to be athletic.' I did run 39 miles in the dark on the Ice Age Trail with a few weeks of training. It was a bit uncomfortable. 😊

Q: What are your go-to emojis?

A: 😊

Q: What's one thing/skill you wish you knew how to do?

A: Fly a plane. But I am absolutely terrified of flying ...

Q: Flipping through the TV channels, what show/movie do you have to stop at every time?

A: *Caddy Shack* or any terrible action movie from the '80s.

Q: Do you have any special/hidden/useless talents?

A: I am incredible at washers. It is a game where you dig a hole in the ground and 'pitch' large washers at the hole for points from about 30 ft away. 😊 Totally useless unless a professional league for it starts up like bags has.

NEW CLUB CATERS TO THE CLEVER SILLINESS OF TWEENS

AN UPDATE FROM YOUTH SERVICES ASSOCIATE JAMIE SWENSON

For those keeping track, we have officially had TWO Tween Team Meet-ups. For those not keeping track, Tween Team is a new club designed specifically for 9-12-year-olds, and it's a mixture of games, crafts, service projects, and craziness. The type of craziness that only 9-12-year-olds can bring. The kind that is silly, full of energy, and very clever. Oh, and snacks. Snacks are important. Very important.

The idea behind Tween Team is to give these kids a space and place of their own. Often, this is the group that is asked to join

in with the younger kids or to wait to be teens. They're sort of the middle child of programming. What do you do with the Tweens!? You ask them! And then do THAT.

They want to play group games, individual challenge games, silly games, and serious ones, too. So, we always play games for at least half of our meet-ups. And then, because these kids know their stuff – we spend a bit of time picking books for their book display. All of the titles we've displayed are books that the tweens think should be read by younger kids (Peppa Pig anyone?) or their peers (Percy Jackson, Amulet, or Smile anyone/everyone?!)

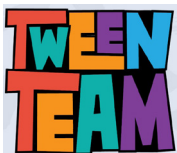

We end our meet-ups with a service-type project. In March, they put Take & Make craft kits together for younger kids, a project that Tween Team member Dawson said he especially enjoyed. In April, they painted rocks that will be used for programming and for our Kindness Rocks Garden (there's a kit that can be used in the Children's Room with rocks ready to be designed by kids to fill our Kindness Rocks Garden out in the Library Park).

In March, we asked the Tweens what exactly they think we should do at future meet-ups. They want to play water games (I believe they called it Splish Splish Splash Water Day), tie-dye shirts, freeze tag, hot potato, flag football, NERF wars, and laser tag. Okay then. That is what we will do—not all at once and NOT inside the library.

“MY FAVORITE PART SO FAR HAS BEEN WORKING TOGETHER TO FIGURE OUT THE ACTIVITIES.”

- EVELYN R. TWEEN TEEN MEMBER, AGE 12

Because some of the ideas are weather-dependent, we'll do our best to plan and hope that the weather cooperates. Below are the programs they've come up with for summer.

SUMMER FUN - Saturday, June 8, 10:30 a.m.-12p.m.

We're going to try some of those water games outside in Library Park, along with some other (non-water) ideas! Wear clothing that can get wet (and bring a towel and dry shoes!). Bring a T-shirt for tie-dyeing (it doesn't have to be new—any lighter-colored shirt will work!)

CHOOSE YOUR OWN ADVENTURE GAMES - Friday, July 26, 1-2:30 p.m.

We will have a few different games ready to go, and the group will vote on which games they'll play. More info to be announced!

Tween Team is geared for 9–12-year-olds. Younger/older siblings/family members are not invited to this program. We also ask that kids who register are between the ages of 9 and 12 during the month of the program. Registration is required. Register online, in person, or by calling 758-6585.

Tween Team is just beginning, and like the kids themselves, it will grow and change and become whatever it is meant to become. We've had a great turnout so far and hope to keep the fun coming!

DONATIONS WELCOME

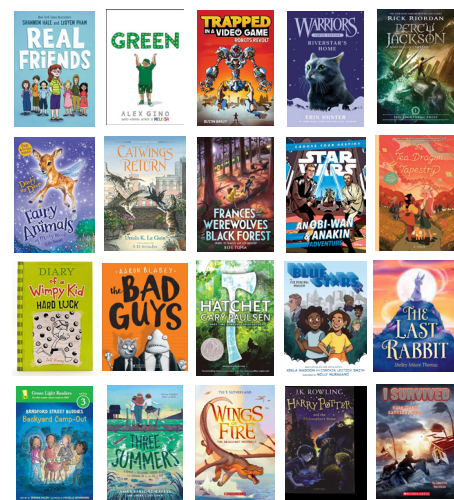

NERF toys and blasters needed!

If you have any NERF items that you're willing to donate to the library, we will use them! Please drop them off at the Children's Desk.

A NEW TWIST ON AN OLD BOOK CLUB

BY GABRIELLE DRAXLER, TEEN LIBRARIAN

NOW IN PERSON!

PAGES AND POSITIVI-Tea

The Community of a Book Club without the Homework!

We are giving our old **Pages & Positivi-Tea** online book club a makeover and it will now be held in person!

But this isn't like any book club you've been in before. For starters, there is no assigned book! This concept is sometimes called the "UnBook Club" model where we won't have a specific book to read or discuss. Just bring your current read with you! It gives participants the chance to choose what they like to read, and share about it with other readers without the pressure of reading a book on time, one they don't enjoy, or can't get a hold of.

Our refreshed Pages & Positivi-Tea book club is an opportunity to bring reading, an often solitary activity, into a communal space and create connections based on enjoying similar titles, or just enjoying reading. Drop in when you want, stay as long as you'd like, and read your current book in our comfy chairs and enjoy light snacks. We'll save time at the end for those who want to share about what they are reading.

With the rise in popularity of BookTok and book discussions on other social media platforms, there is a lot of "talking" about books. But there is often still a lack of connection as social media is often one-sided beyond "liking."

We hope that bringing readers together creates a shared community for book lovers that goes beyond the page.

Join our "unbook club" this summer!
